I let go of my limitations and
let the Divine do its perfect work
to speed up my cash consciousness
in the conscious, subconscious and
superconscious activities of my mind,
body and heart.

29
Working with and on my cash
consciousness is a simple, easy,
effective, private, body-healing,
mind-transforming and
soul-cleansing process for me
and I enjoy it daily.
Heal My Body
Transform My Mind
Cleanse My Soul
Raise My Vibration
Enjoy Daily

With daily remembrance of my
cash consciousness, the Divine Love
and Creating Energy of this Universe
and its wisdom go before me and
clear my pathway, making the outcome
easy and successful for me
in this situation.
