
22
I refuse to accept this situation. I refuse to be dismayed or disturbed by this situation. Divine goodness is dissolving and removing all negation from my world and setting the course for all types of right and just situations.
23
An awareness of an increased cash consciousness dissolves all criticisms, judgements and projections for me or against me and in all my financial affairs and then Divine Harmony reigns supreme in me and in my world.
24
My cash consciousness is a gift and blessing from the Divine Intelligence. Its supreme law of good is now in charge of my life and works for my highest good.
